Manufacturing Method
Cold Pressed

CAS Number
225234-07-1

Origin
Europe
Poland

EINCS
Not Listed.

Scent
Characteristic, Nutty

Customs Tariff Code
1515 9040

Colour
Light Yellow

Extraction process

Cold-pressed extraction is a method used to extract natural oils from various plant-based sources. It involves applying mechanical pressure to the source material without the use of heat or chemicals, resulting in a pure and unrefined oil.

Skin Benefits

Lupine Seed Oil moisturises and nourishes the skin, leaving it soft and supple. Its lightweight texture and high omega fatty acid content make it suitable for facial oils, serums, body oils, lotions, moisturisers, massage oils, and hair care products. The oil helps hydrate, nourish, and promote a healthy-looking complexion, providing a natural glow.

Hair Benefits

Lupine Seed Oil can contribute to a nourishing and revitalising hair care routine. Its moisturising properties help hydrate and Revitalise the hair strands, reducing dryness and promoting overall hair health. Incorporating Lupine Seed Oil into hair oils, serums, and leave-in treatments can provide hydration, softness, and a natural sheen, leaving the hair looking healthy and lustrous.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Emollient

Softens and smooths the skin, creating a protective barrier that locks in moisture. It is particularly beneficial for dry, rough, and chapped skin, providing deep hydration and improving the skin's texture.
