Skin Benefits

Macadamia Butter carries a rich and nutty aroma, reflecting its natural origin. It has moisturising and emollient properties, providing deep hydration and improving skin elasticity. The butter is commonly used in moisturisers, body butters, lip balms, and hair masks to deliver nourishment and moisture to the skin and hair, leaving them feeling soft and supple.

Hair Benefits

Macadamia Butter can contribute to a nourishing and hydrating hair care routine. Its moisturising properties can help improve the condition of the hair, reducing dryness and promoting overall hair health. Incorporating Macadamia Butter into hair masks, conditioners, and leave-in treatments can provide deep hydration and nourishment, leaving the hair feeling soft and moisturised.

Functionality

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Emollient

Softens and smooths the skin, creating a protective barrier that locks in moisture. It is particularly beneficial for dry, rough, and chapped skin, providing deep hydration and improving the skin's texture.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.
