Gold-Yellow

Extraction process

Cold-pressed extraction is a method used to extract natural oils from various plant-based sources. It involves applying mechanical pressure to the source material without the use of heat or chemicals, resulting in a pure and unrefined oil.

Skin Benefits

Cold Pressed Mafura Seed Oil carries a warm and nutty aroma, reflecting its natural origin. It has moisturising and soothing properties, nourishing and revitalising the skin and hair. The oil is commonly used in moisturisers, serums, body oils, and hair oils to provide hydration and promote a healthy appearance, leaving the skin and hair feeling soft and hydrated.

Hair Benefits

Cold Pressed Mafura Seed Oil can contribute to a nourishing and revitalising hair care routine. Its moisturising properties can help improve the condition of the hair, reducing dryness and promoting overall hair health. Incorporating Cold Pressed Mafura Seed Oil into hair oils, serums, and treatments can provide hydration and nourishment, leaving the hair feeling soft and Revitalised.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Healing & Soothing

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.
