The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Irradiation Status	O&3 can confirm that Magnolia Leaf, Essential Oil has not been irradiated at any stage of production.
Karanal Status	O&3 can confirm that Magnolia Leaf, Essential Oil is free from Karanal.
Key Essential Fatty Acid Compounds	Betas
Kosher	O&3 can confirm that Magnolia Leaf, Essential Oil is not Kosher Certified.
Leaping Bunny	O&3 can confirm that Magnolia Leaf, Essential Oil complies with the criteria of the Humane Cosmetics Standard & has not been tested or re-tested on animals for cosmetic purposes by or on behalf of O&3.
Manufacturing Method	Steam Distilled
Methyl Salicylate Status	O&3 can confirm that Magnolia Leaf, Essential Oi is free from Methyl Salicylate.
Microbiological & PAH Status & Heavy Metals & Pesticides	O&3 can confirm that Magnolia Leaf, Essential Oil does not have a micro specification because the product was sterilized in the production process. We can confirm that there is no detectable amounts of pesticides. It is produced from natural raw material and complies within the limits of the oil-related requirements of European Regulation 2023/915 regarding heavy metals, dioxins, dioxin-like PCBs, Benzo-a-pyrene & PAH.
Mycotoxins Status	O&3 can confirm that Magnolia Leaf, Essential Oil is compliant with the requirements of the Regulation (EC) N° 2023/915. We can confirm this product is free from: Aflatoxins, Ergot alkaloids, Patulin, Alternaria toxins, Ochratoxin A, Fusarium toxins.
Nagoya Protocol	O&3 can confirm that this material does not fall into the scope of EU ABS Regulation (EU) No 511/2014 (also known as the Nagoya Protocol).
Nanomaterials Status	O&3 can confirm with reference to Magnolia Leaf, Essential Oil that no Nanomaterials were added at any stage of the manufacturing/production process, in accordance with EU Cosmetics Regulation.
Organic	Not applicable to this grade of product. Organic versions are available on request, please see our Organic category.
Origin Statement	O&3 can confirm Magnolia Leaf, Essential Oil origin is China.
Palm Status	O&3 can confirm that no palm oil has been used in the process of manufacturing Magnolia Leaf, Essential Oil.
Parabens Status	O&3 can confirm that Magnolia Leaf, Essential Oil is free from Parabens.
Product Page Intro	Embark upon a journey with Magnolia Leaf, Essential Oil today! Magnolia essential oil has a rich history in traditional medicine, particularly in Chinese and Japanese cultures. Magnolia Leaf, Essential Oil is known for its refreshing and invigorating properties. In addition, Magnolia Leaf, Essential Oil is also used in aromatherapy as it is known to have a stimulating and uplifting effect on the mind and body. Magnolia Leaf, Essential Oil can be diffused into the air, added to a carrier oil for massage, or used in skincare and hair care formulations. Unlock the magic of Magnolia Leaf, Essential Oil and formulate your products with this wonder ingredient for amazing results. Get a quote or order a sample and embrace nature's gift in your formulations!
Product Status	Pure & Natural.
Pyrrolizidine Alkaloids Status	O&3 can confirm that Magnolia Leaf, Essential Oil is free from any Pyrrolizidine Alkaloids.
REACH Status	Please see our Material Safety Data Sheet (MSDS).
Residual Solvents	O&3 can confirm that no solvents or preservatives we used in the production of Magnolia Leaf, Essential Oil
Skin Benefits	Magnolia Leaf Essential Oil carries a fresh and floral scent, extracted from the leaves of the magnolia tree. It has calming and uplifting properties, creating a sense of tranquility and relaxation. The oil is commonly used in perfumes, fragrances, aromatherapy blends, diffusers, massage oils, and bath products to create a calming ambiance and enhance a sense of well-being.
