Skin Benefits

Manuka Essential Oil carries a distinctive and aromatic aroma, extracted from the leaves and twigs of the Manuka tree. It has purifying and soothing properties, making it a valuable ingredient in skincare and aromatherapy blends. The oil is commonly used in perfumes, fragrances, aromatherapy blends, diffusers, massage oils, and bath products to create a comforting and invigorating ambiance.

Hair Benefits

Manuka Essential Oil can contribute to a purifying and soothing hair care routine. Its distinctive fragrance can provide a calming and comforting experience. Incorporating Manuka Essential Oil into hair mists, leave-in treatments, and scalp oils can promote a sense of relaxation and support scalp health.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Cooling

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.

Healing & Soothing

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.
