Skin Benefits

Mastiha Essential Oil carries a unique and captivating scent, derived from the resin of the mastic tree. It has soothing and rejuvenating properties, making it a valuable ingredient in perfumes, fragrances, and skincare formulations. The oil can provide an aromatic and therapeutic experience, promoting a sense of tranquility and relaxation.

Hair Benefits

Mastiha Essential Oil can contribute to a soothing and rejuvenating hair care routine. Its unique fragrance can provide a calming and uplifting experience. Incorporating Mastiha Essential Oil into hair mists, hair oils, and scalp treatments can promote relaxation and support scalp health, leaving the hair feeling refreshed and Revitalised.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Healing & Soothing

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.

Warming

Introduces a gentle warming sensation to the skin, providing a comforting and soothing effect. This property is ideal for products designed to promote relaxation, especially in massage oils or creams
