Skin Benefits

Myrtle Essential Oil is valued for its clarifying and revitalising properties. It can help promote mental clarity, support respiratory health, and enhance overall well-being. The oil's fresh and uplifting aroma can contribute to a positive and invigorating ambiance. Myrtle Essential Oil can be used in diffusers, bath blends, massage oils, or skincare formulations to enjoy its aromatic and therapeutic benefits.

Hair Benefits

Myrtle Essential Oil can be used in hair care to promote a refreshed and rejuvenated scalp. Its clarifying properties can help remove excess oil and product buildup, supporting a clean and balanced scalp environment. The oil's fresh aroma can also add a pleasant scent to hair care products. Myrtle Essential Oil can be added to shampoos, conditioners, or scalp treatments to invigorate the senses and promote a healthy scalp and hair.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Cleansing

Acts as a natural cleanser, effectively removing dirt, impurities, and excess oil from the skin and hair. It helps keep pores clean and clear, reducing the risk of acne and promoting a fresh, revitalised appearance.

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.

Cooling

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.
