Product Page Intro	Embark on a transformative journey with Neem Oil, Cold Pressed and delve into the riches of nature! Neem Oil, Cold Pressed boasts a rich history dating back centuries, primarily in India. Its natural insecticidal properties were discovered and utilised in agriculture, making it an eco-friendly alternative to chemical pesticides. Neem Oil, Cold Pressed is effective against a wide array of pests, including aphids, mites, and whiteflies, thanks to its active compounds like azadirachtin. Beyond its role in pest control, Neem Oil, Cold Pressed is valued for its skincare benefits, combating issues such as acne, eczema, and psoriasis due to its anti-inflammatory and antimicrobial properties. Its versatility extends to personal care, with applications in massage therapy when diluted with carrier oils, as well as in cosmetics and haircare products, offering a natural and holistic approach to beauty and wellness.
