Skin Benefits

Oat Seed Oil is known for its moisturising and soothing properties, making it beneficial for various skin concerns. It can help hydrate and soften the skin, reduce inflammation, and calm irritated or sensitive skin. The oil's soothing properties make it suitable for addressing conditions such as eczema, psoriasis, or sunburn. Organic Co2 Extracted Oat Seed Oil can be used in skincare products such as creams, lotions, or serums to provide nourishment and promote healthy skin.

Hair Benefits

Oat Seed Oil can be used in hair care products to moisturise and condition the hair, reducing dryness and frizz. Its soothing properties can help calm an irritated scalp and promote a healthy scalp environment. The oil can be added to hair oils, masks, or conditioners to provide hydration, nourishment, and enhance the overall health and appearance of the hair.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Emollient

Softens and smooths the skin, creating a protective barrier that locks in moisture. It is particularly beneficial for dry, rough, and chapped skin, providing deep hydration and improving the skin's texture.
