Europe

UK

Customs Tariff Code

1515 9060

Scent Neutral

Colour

Gold-Yellow, Light Yellow

## **Related Products**

K0311

# **Extraction process**

Refining is an extraction method that purifies oils by removing impurities and undesirable elements. It includes techniques such as degumming, neutralisation, bleaching, and deodorisation to enhance the quality, stability, and versatility of the oil for various applications.

### **Skin Benefits**

Refined Oat Seed Oil is known for its moisturising and soothing properties, making it beneficial for various skin concerns. It can help hydrate and soften the skin, improve skin barrier function, and provide relief to dry or irritated skin. The oil's emollient properties make it suitable for moisturisers, body oils, or facial serums. Refined Oat Seed Oil can also be used in hair care products, such as conditioners or hair masks, to provide hydration, improve hair texture, and add shine

### **Hair Benefits**

Refined Oat Seed Oil can be used in hair care products as a conditioning and nourishing ingredient. Its emollient properties can help soften the hair and improve manageability. The oil can be added to conditioners, hair masks, or leave-in treatments to provide hydration and enhance the overall health and appearance of the hair. While not primarily known for its specific scalp benefits, Refined Oat Seed Oil's moisturising and soothing properties can indirectly support scalp health by providing a nurturing environment for the hair follicles and reducing dryness or irritation

# **Functionality**

### **Anti-Inflammatory**

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

### **Emollient**

Softens and smooths the skin, creating a protective barrier that locks in moisture. It is particularly beneficial for dry, rough, and chapped skin, providing deep hydration and improving the skin's texture.

#### **Easily-Absorbed**

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

### **Moisturising & Hydrating**

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.
