Product Page Intro	Unearth the captivating allure of Olive, Squalane and unveil nature's marvels for the skin and hair! Olive, Squalane is a lightweight, non-comedogenic oil that is easily absorbed by the skin. This 100% plant-based emollient derived from Olive oil is super effective in formulating. Squalane absorbs in the lipidic layers of your skin & helps prevent moisture loss whilst aiding the restoration of the skins suppleness & glow. Squalane is extremely stable & successfully resists oxidation in comparison to other natural ingredients. With very little odour & soluble in other natural oils, it makes for a very useful ingredient.
Product Status	Pure & Natural.
Pyrrolizidine Alkaloids Status	O&3 can confirm that Olive, Squalane is free from any Pyrrolizidine Alkaloids.
REACH Status	O&3 can confirm that Olive, Squalane supplied is exempt as per Annex IV & V according to EU regulations 1907/2006. This product is not chemically modified, it comes under derogation pursuant to EU regulation 987/2008, Annex II, #9. Hence registration is not required for this product. We can also confirm that none of the substances on the SVHC candidate list can be verified in a concentration of >0.1% in our product.
Residual Solvents	O&3 can confirm that no solvents or preservatives were used in the production of Olive, Squalane.
Skin Benefits	Olive Squalane is known for its exceptional moisturising and smoothing properties, making it beneficial for skincare formulations. It can help hydrate the skin, reduce the appearance of fine lines and wrinkles, and improve overall skin texture. Olive Squalane is commonly used in serums, moisturisers, and facial oils to provide intense hydration and enhance the skin's natural barrier.
