Skin Benefits

Palm and Rapeseed Oil Blend is known for its emollient and conditioning properties, making it beneficial for skincare and hair care formulations. It can help soften the skin, improve moisture retention, and provide nourishment. Palm and Rapeseed Oil Blend is commonly used in creams, lotions, soaps, or hair oils to enhance hydration, promote healthy skin and hair, and improve the overall texture and appearance. The blend's smooth texture and mild aroma add a comforting touch to various products.

Hair Benefits

Palm and Rapeseed Oil Blend can be used in hair care products as an emollient and conditioning ingredient. Its nourishing properties can help moisturise the hair, reduce frizz, and improve manageability. The blend can be added to hair oils, serums, or leave-in treatments to provide hydration and improve the overall health and appearance of the hair. While not primarily known for its specific scalp benefits, Palm and Rapeseed Oil Blend's overall moisturising properties can indirectly support scalp health by providing nourishment to the hair follicles and maintaining a balanced scalp environment.

Functionality

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

Cleansing

Acts as a natural cleanser, effectively removing dirt, impurities, and excess oil from the skin and hair. It helps keep pores clean and clear, reducing the risk of acne and promoting a fresh, revitalised appearance.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.
