### Skin Benefits

Palmarosa essential oil is beneficial for the skin as it helps balance sebum production and can be used in skincare formulations for oily or acne-prone skin. It also has moisturising properties and can be soothing to dry or sensitive skin. In hair care, palmarosa oil can be used to enhance the scent of hair products and provide a pleasant aroma.

### Hair Benefits

Palmarosa essential oil can impart a delightful fragrance to hair care products, leaving the hair smelling fresh and floral.

### Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via [www.oand3.com/products/](http://www.oand3.com/products/).

### **Anti-Inflammatory**

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

### **Cleansing**

Acts as a natural cleanser, effectively removing dirt, impurities, and excess oil from the skin and hair. It helps keep pores clean and clear, reducing the risk of acne and promoting a fresh, revitalised appearance.

### **Antimicrobial**

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.

### **Cooling**

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.
