Skin Benefits

Organic patchouli essential oil offers the same benefits as conventional patchouli oil. Its organic production ensures that it is free from synthetic pesticides or fertilisers, making it suitable for organic and natural formulations.

Hair Benefits

Organic patchouli essential oil can provide a warm and earthy aroma to hair care products, leaving a lingering scent. It can also help soothe the scalp and promote a healthy environment for hair growth.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Healing & Soothing

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.

Cooling

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.

Stress Relief

With its calming properties, it helps reduce stress and tension, which can have positive effects on the skin and overall well-being. Stress relief can also contribute to a more balanced complexion.
