### Skin Benefits

Patchouli essential oil is often used in skincare products for its grounding and calming properties. It can be added to facial oils, serums, or balms to promote relaxation and balance. In hair care, patchouli oil can be used in hair oils or leave-in conditioners for its aromatic properties and soothing effects on the scalp.

### Hair Benefits

Patchouli essential oil can provide a warm and earthy aroma to hair care products, leaving a lingering scent.

### Functionality

### **Anti-Inflammatory**

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

### **Healing & Soothing**

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.

### **Cooling**

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.

### **Stress Relief**

With its calming properties, it helps reduce stress and tension, which can have positive effects on the skin and overall well-being. Stress relief can also contribute to a more balanced complexion.
