Colour
Clear

Skin Benefits

Hydrate and refresh your skin with Peppermint Hydrolat. This water provides cooling and invigorating properties, promoting a revitalized and healthy complexion. Elevate your formulations with the natural purity of peppermint hydrolat.

Hair Benefits

Peppermint, Water (Hydrolat) can provide soothing benefits for the hair and scalp. Its calming properties can help alleviate scalp irritations and promote a relaxed and balanced scalp environment. The water's hydrating and refreshing effects can also contribute to maintaining a healthy scalp and hair. Additionally, Peppermint, Water (Hydrosol) has potential antioxidant properties, which can help protect the hair from free radicals and environmental damage. It can be incorporated into hair care products such as refreshing sprays and scalp treatments to enhance the health and appearance of the hair, as well as provide a gentle and soothing sensation.

Functionality

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.
