Skin Benefits

Pink peppercorn essential oil can provide a warming and stimulating effect on the skin. It can be used in skincare products such as body oils, lotions, or bath products for an invigorating experience.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Hair Benefits

Pink peppercorn essential oil can provide an energising aroma to hair care products. It can be added to shampoos, conditioners, or hair mists to invigorate the scalp and promote a refreshed sensation.

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.
