Skin Benefits

Rose absolute infused in grapeseed oil provides moisturization and nourishment to the skin. It can be used in facial oils, serums, or moisturisers to improve skin hydration, reduce inflammation, and promote a healthy complexion. Its aroma offers a calming and soothing effect, making it suitable for aromatherapy applications.

Functionality

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Emollient

Softens and smooths the skin, creating a protective barrier that locks in moisture. It is particularly beneficial for dry, rough, and chapped skin, providing deep hydration and improving the skin's texture.

Hair Benefits

Rose absolute infused in grapeseed oil can be used in hair care products to provide moisturization and conditioning benefits. It can be added to hair oils, serums, or masks to provide hydration, nourish the scalp, and promote healthy-looking hair.

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.
