Skin Benefits

Rose water provides soothing and hydrating properties for the skin. It can be used as a facial mist, toner, or spritzer to refresh the skin, balance pH, and enhance a sense of well-being.

Hair Benefits

Rose water can be used in hair care products to provide hydration and a pleasant aroma. It can be added to hair mists, conditioners, or styling products to refresh the hair and promote a healthy scalp.

Functionality

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.
