#### **Skin Benefits**

Rose water provides soothing and hydrating properties for the skin. It can be used as a facial mist, toner, or spritzer to refresh the skin, balance pH, and enhance a sense of well-being.

### **Hair Benefits**

Rose water can be used in hair care products to provide hydration and a pleasant aroma. It can be added to hair mists, conditioners, or styling products to refresh the hair and promote a healthy scalp.

The attached information is considered to be correct. Please be aware that detail can change and we encourage clients to update their technical records regularly via www.oand3.com/products/.

The information is not and should not be considered a guarantee or warranty, or a part of our contractual or other legal obligations. It is the ultimate responsibility of the client to pre-approve & assess the safety and suitability of the listed ingredient before use in any final formulations. We encourage carrying out additional tests if necessary. The information is not to be disclosed to others, reproduced or transmitted in whole or in part without permission from O&3.

# **Functionality**

### **Moisturising & Hydrating**

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.
