Extraction process

Cold-pressed extraction is a method used to extract natural oils from various plant-based sources. It involves applying mechanical pressure to the source material without the use of heat or chemicals, resulting in a pure and unrefined oil.

Skin Benefits

Cold-pressed organic rosehip seed oil (R colour) provides deep moisturization and nourishment to the skin. It helps to improve skin elasticity, reduce inflammation, and promote a smooth and supple complexion. The oil's natural red colour adds a unique touch to formulations.

Hair Benefits

Cold-pressed organic rosehip seed oil (R colour) can be used in hair care products to moisturise and condition the hair. It helps to improve hair strength, minimise frizz, and add shine to the hair strands.

Functionality

Anti-Aging

Packed with antioxidants, it helps fight free radicals and reduce the signs of ageing. It promotes the production of collagen, improving skin elasticity and firmness, and diminishing the appearance of fine lines and wrinkles.

Easily-Absorbed

Quickly absorbs into the skin without leaving a greasy residue. Lightweight and ensures fast penetration, delivering essential nutrients and hydration for a smooth and nourished complexion.

Moisturising & Hydrating

Deeply moisturising, helping to hydrate and nourish the skin and hair. It forms a protective barrier, preventing moisture loss and leaving the skin and hair feeling soft and supple.

Scar Healing

Aids in the healing and fading of scars, whether they are from acne, wounds, or other skin injuries. It helps promote the regeneration of skin cells, leading to a smoother and less visible scar over time.

Skin Tightening

Promotes skin elasticity and firmness, reducing the appearance of wrinkles. It helps maintain a youthful and lifted look by supporting collagen production, giving the skin a tighter and more toned feel.

Antioxidant

Rich in antioxidants, it shields the skin from environmental stressors, neutralising free radicals and promoting a youthful appearance. As well as enhancing skin resilience, reducing oxidative damage, and fostering a radiant, revitalised complexion.

Healing & Soothing

With its anti-inflammatory properties, it soothes irritated and inflamed skin. It aids in the healing process, making it beneficial for conditions such as acne, eczema, and rosacea.

Regenerative

Promotes the regeneration of skin cells, aiding in the healing of wounds, scars, and skin damage. It helps accelerate the skin's natural renewal process, leading to a smoother and more youthful appearance.

Skin Brightening

Contains natural skin-brightening properties. It helps even out skin tone, reduce the appearance of dark spots and hyperpigmentation, and promote a more radiant complexion.
