Skin Benefits

Organic rosemary (verbenone) essential oil provides stimulating and revitalising effects on the skin. It can help to clarify the complexion, balance oil production, and promote a fresh and healthy appearance.

Hair Benefits

Organic rosemary (verbenone) essential oil can be used in hair care products to invigorate the scalp, promote circulation, and stimulate hair growth. It can also help to balance sebum production and enhance the overall health of the hair.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Cooling

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.
