Skin Benefits

Tarragon essential oil has relaxing and calming properties, making it beneficial for promoting a sense of balance and relaxation. It has antimicrobial and anti-inflammatory properties that can support skin health. It provides a pleasant herbal aroma that can help alleviate stress and uplift the mood.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Hair Benefits

Tarragon essential oil can be used in hair care products to provide a pleasant herbal aroma and promote relaxation.

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.

Stress Relief

With its calming properties, it helps reduce stress and tension, which can have positive effects on the skin and overall well-being. Stress relief can also contribute to a more balanced complexion.

Warming

Introduces a gentle warming sensation to the skin, providing a comforting and soothing effect. This property is ideal for products designed to promote relaxation, especially in massage oils or creams
