Skin Benefits

Red thyme essential oil has cleansing and purifying properties, making it beneficial for promoting clear and healthy-looking skin. It has antimicrobial and anti-inflammatory properties that can help soothe skin irritations. It provides a stimulating and energising aroma that can uplift the mood.

Hair Benefits

Colour

Clear, Red-Brown

Red thyme essential oil can be used in hair care products to promote a healthy scalp and maintain a balanced environment on the scalp.

Functionality

Anti-Inflammatory

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

Warming

Introduces a gentle warming sensation to the skin, providing a comforting and soothing effect. This property is ideal for products designed to promote relaxation, especially in massage oils or creams

Antimicrobial

With potent antimicrobial features, it effectively combats harmful microbes, preventing infections and promoting skin health. It supports a clean and clear complexion, safeguarding against unwanted bacteria.
