### Skin Benefits

Organic wintergreen essential oil has a sweet and minty aroma that provides a cooling and soothing sensation. It has analgesic and anti-inflammatory properties and is commonly used for its pain-relieving effects. Wintergreen oil also has antimicrobial properties, making it beneficial for skin conditions and infections. It is often used in topical products for its refreshing scent and therapeutic benefits. Organic certification ensures that the oil is derived from organically grown plants, free from synthetic pesticides or fertilisers.

### Hair Benefits

Organic wintergreen essential oil can provide a cooling and soothing effect on the scalp and may help alleviate scalp irritation or discomfort.

### Functionality

### **Anti-Inflammatory**

Powerful anti-inflammatory properties help soothe and calm irritated skin, reducing redness and inflammation, whilst providing relief from discomfort and promoting a balanced complexion for healthier-looking skin.

### **Cooling**

Provides a refreshing and cooling sensation to the skin, helping to alleviate heat and discomfort. Ideal for use in products designed to soothe sunburns or calm irritated skin.
