Skin Benefits

Non-alcohol witch hazel distillate has astringent properties, making it beneficial for toning the skin and tightening pores. It has soothing and anti-inflammatory effects, which can help calm and reduce skin irritation. Witch hazel also possesses antimicrobial properties, helping to cleanse and protect the skin from bacteria. Additionally, its antioxidant properties contribute to its overall skin-protective benefits. Witch hazel is commonly used as a natural ingredient in skincare products and can be applied topically to support skin health.

Hair Benefits

Non-alcohol witch hazel distillate can be used in hair care products as a scalp toner to balance oil production and soothe the scalp.
