Product Page Intro	Introducing Yarrow, scientifically known as Achillea millefolium, used for various purposes for centuries. The herb is named after the Greek hero Achilles, who, according to legend, used yarrow to treat wounds during the Trojan War. It has also been used by various Native American tribes for its medicinal properties. Yarrow, Essential Oil is known for its anti-inflammatory, antibacterial, and antifungal properties and is also used to treat a variety of skin conditions, including wounds, burns, and eczema. In addition to its medicinal benefits, Yarrow, Essential Oil is also used in aromatherapy as it is known to have a calming and relaxing effect on the mind and body. Try Yarrow, Essential Oil in your formulations today and request a quote or order a sample now.
Product Status	Pure & Natural.
