

O & 3

Your Home for Natural Ingredients

Product List

Transparency in Every Drop

Welcome to O&3. Whether you are a global cosmetic leader or an indie brand just starting your journey, you have found your home for natural ingredients.

We believe that what goes on our skin should be as pure as the nature it came from. Our purpose is simple: to source natural ingredients that are just as kind to people's skin as they are to the people and planet we source them from.

More than a supplier, we are your technical partner. By combining 40 years of family heritage with a powerful digital-first platform, we remove complexity from wholesale sourcing. The result is total transparency, uncompromising quality, and the confidence to create without compromise.

Why O&3?

950+ Natural Ingredients

An unrivalled range of quality botanicals for every formulation.

Fast Global Delivery & Flexible Pack Sizes

From samples to multi-tonne shipments, our agile logistics network and strategic UK & EU stock locations keep your production moving without interruption.

The Technical Authority

24/7 access to our online technical database, allowing instant downloads of technical specifications and documentation.

Accredited Quality & Compliance

Our operations and ingredients are supported by multiple internationally recognised certifications and industry standards, providing assurance, traceability and confidence.

→ Your vision. Our ingredients. Let's grow together.

Your Natural Ingredient Partner

Globally

With dedicated stock held in both the UK and EU, we provide reliable delivery and simplified border processes, ensuring your ingredients reach you quickly and efficiently, wherever you are in the world.

This allows you to focus on what matters most, developing exceptional products and growing your brand.

An Unrivalled Range of Natural Ingredients

With over 950 natural ingredients across a diverse range of categories from cold pressed and refined oils to essential oils, butters, waxes, extracts, infusions, absolutes, exfoliants, and soap bases. O&3 gives you the breadth and depth to create exceptional products with confidence. Just a click away.

Ethical & Global Sourcing

Our commitment to responsible sourcing goes beyond words. We build long-term partnerships with trusted growers around the world, ensuring consistent quality, reliable supply, and value throughout the supply chain.

By working closely with our partners, we secure the finest materials while supporting ethical practices and sustainable cultivation.

Built on Experience. Backed by Transparency.

Four Decades of Industry Knowledge

O&3 is built on more than forty years of family expertise and a deep-rooted understanding of the natural oils industry. With decades of hands-on experience in the oil industry and global wholesale supply, our knowledge informs everything we do today.

This heritage, combined with a forward-thinking mindset, allows us to bridge traditional industry expertise with modern standards of sustainability, transparency, and innovation.

Today, some of the world's most innovative cosmetic brands trust O&3 as their natural ingredient partner, confident in our ability to deliver quality, reliability, and expertise.

Proven Quality & Compliance

Our commitment to responsible sourcing and quality assurance is supported by a range of internationally recognised certifications and industry standards across our operations.

Through rigorous auditing and full traceability, we ensure that every ingredient we supply meets high standards of quality, sustainability, and regulatory compliance — giving you complete confidence in your supply chain.
